Is consistent with the consolidated plan of the Commonwealth of Massachusetts prepared pursuant to 24CFR Part 9

Statement of Consistency with Consolidated Plan

The Auburn Housing Authority (AHA) considers all of its programs and services to be consistent with the Consolidated Plan of the Commonwealth of Massachusetts.

In its state and federal housing programs, the AHA serves 190 households of low-income, providing the following types of affordable housing: 60 units of federal elderly

housing; 90 units of state elderly housing; 32 units of family housing; and 8 units of special needs housing. With the low-moderate income focus of the Consolidated Plan, the AHA plays a major role in its community by serving only extremely low, very low, and low income households and offers this housing to all major population groups—families, the elderly, and the disabled. The AHA works with local, state, and federal agencies on issues and programs affecting the low-income population it serves and will continue to do so in the future.

Furthermore, the lead agency for the Massachusetts' Consolidated Plan is the Department of Housing and Community Development (DHCD), which is also the state's lead agency for state-assisted public housing. Given that the AHA administers 130 units of state-assisted public housing, DHCD and the AHA are in regular contact on issues affecting housing for low-income households.

C. Criteria for Substantial Deviation and Significant Amendments

1. Amendment and Deviation Definitions

24 CFR Part 903.7(r)

PHAs are required to define and adopt their own standards of substantial deviation from the 5-year Plan and Significant Amendment to the Annual Plan. The definition of significant amendment is important because it defines when the PHA will subject a change to the policies or activities described in the Annual Plan to full public hearing and HUD review before implementation.

Significant Amendment or Substantial Deviation/Modification to the Plan

The Auburn Housing Authority (AHA) considers one or more of the following to be a *Significant Amendment* or *Substantial Deviation/Modification* to an already submitted Agency Plan:

1. Discretionary changes in rent determination or waiting list preferences.
2. A decision to undertake an Elderly/Disabled Designated Housing Plan (DHP).
3. A change in any open Annual Capital Fund Program (CFP) that modifies or changes the work items by greater than 20% of the total grant amount.
4. Establishment of new and/or substantively revised policies and procedures that have not previously been submitted as part of the current or previous years' Agency Plans.
5. Any major reduction in funding ($\geq 20\%$) from HUD for the CFP.
6. Any other substantive activities undertaken that have a major affect on resident households (e.g., the conversion of public housing units to Section 8 vouchers).

In the case where there is a *Significant Amendment* or *Substantial Deviation/Modification* to an already submitted Agency Plan, the AHA will:

- a. Consult with the Resident Advisory Board.
- b. Review consistency of the change with the Massachusetts' Consolidated Plan.
- c. Allow a 45-day public review period of the amendments, modifications, and deviations.
- d. After the public review period, conduct an open meeting for Board approval of the amendments, modifications, and deviations.
- e. Resubmit the Agency Plan to HUD with the amendments, modifications, and deviations.

A. Substantial Deviation from the 5-year Plan:

Any substantial deviation (ref. 903.7r- i) from this 5-year plan will be implemented by the following:

1. An across the board basis
2. Notice to HUD of intent of Substantial Deviation including adherence to HUD requirements/directives.

B. Significant Amendment or Modification to the Annual Plan:

Any significant deviation (ref. 903.7r-ii) from this 5-year Plan will be realized by the following:

1. An across the board basis
